SKYY VODKA ® FACT SHEET

In 1992, SKYY Vodka was born in California with the belief that everything can be made better with a little fresh thinking. Created by an inventor looking to offer the world the smoothest vodka, SKYY revolutionized the spirits industry with its proprietary quadruple-distillation and triple-filtration that uses the finest, simple ingredients of American grain and 100% pure filtered water. SKYY consistently delivers on exceptional quality and taste. In fact, SKYY Vodka has been recognized with an exceptional "94 point" rating by Wine Enthusiast. So come, have a drink with us.
